PROJECT EXPERIENCE

Espresso Coffee Company

July 2025 - Aug. 2025, IAT 339: Web Design and Development, SFU

Front-End Web Developer

- Developed a responsive website using HTML and CSS, applying semantic elements and modern layout techniques.
- Designed interactive menu and product sections with a clean, visual hierarchy.
- Implemented responsive layouts to ensure usability across desktop and mobile devices.
- Strengthened front-end fundamentals including CSS styling, and layout structuring.

Mindful Moments

Nov. 2025 - Dec. 2025, IAT359: Mobile Computing, SFU

Developer & UX/UI Designer

- Built a mindfulness and journaling mobile app using React Native, focusing on smooth navigation and reusable components.
- Implemented core features for journaling and activity logging with an intuitive user flow.
- Designed a calm, visually consistent interface to support a positive mindfulness experience.
- Collaborated with my teammate to refine UI, functionality, and usability through iterative development.

Munchie

June 2025 - Aug. 2025, IAT334: Interface Design, SFU

Interaction Designer

- Created a voice-based mobile recipe app prototype using ProtoPie, focusing on realistic interactions and transitions.
- Designed user flows integrating scheduling, pantry management, and recipe discovery features.
- Built interactive micro-interactions to simulate real-world app behaviour.
- Conducted usability testing and iterated on designs to improve clarity and user experience.
